O'CONNOR NAMES NEW WASHINGTON, DC REGIONAL MANAGER

WASHINGTON, DC: O'Connor Construction Management, Inc. announces that it has named Tom Strandberg, PMP, LEED AP BD+C as Regional Manager of the Washington, DC office. This office serves the East Coast, and has provided construction consulting services in the region since 2008.

Mr. Strandberg has been with the company since 2007 as a Construction Manager, Cost Estimator, and Scheduler. He also provides constructability analysis and market research. His experience includes government, education, and hospitality projects.

A certified Project Management Professional (PMP) and LEED Accredited Professional (BD+C), Mr. Strandberg recently managed the \$50 million conversion of a historic, federal building into a museum. He can be reached at (202) 299-0530. O'Connor's office is located at 1200 G Street NW, Suite 800, Washington, DC 20005.

O'Connor is an ENR Top 100 CM for Fee firm founded in 1982. The firm specializes in project and construction management, cost estimating, scheduling, construction audits, claims, and risk management for building and infrastructure projects. Based in Irvine, CA, the firm maintains offices nationwide, and serves a diverse mix of clients including the U.S. Government, state and local agencies, and design and contracting professionals.
